

# Digital Tools for Language Learning

## padlet

[www.padlet.com](http://www.padlet.com)

### What is it? / What does it do?

Padlet is an online virtual bulletin board, where students and teachers can collaborate, reflect, share ideas, links and pictures . It is a platform that teachers can use for providing pathways for learners, gaining feedback and sharing ideas. It is a great tool for connecting different ideas and working on a collaborative blank canvas.
